GRANT	DEPT	COUNCIL DATE APPROVED	TYPE OF GRANT	GRANT AMOUNT	GRANT BACKGROUND	CITY MATCH	PURPOSE OF GRANT
LA84 Foundation of Los Angeles	P&R	4/17/2015	County	\$7,502.46	The LA84 Foundation of Los Angeles is a California nonprofit public benefit corporation organized for the purpose of aiding and assisting, through contributions, sports programs primarily for youth in Southern California.	N/A	The grant funding received from LA84 is for the purpose of assisting Parks, Recreation and Community Services Department with salary to help offset staffing costs for the 2015 Summer Aquatics season. Grant funding will offset \$6,997.61 for staff salaries for instruction at McCambridge Park and Verdugo Park. An additional \$504.85 will offset the cost for LA84 shirts for the instructors.
CA Library Literacy Services Grant (CLLS)	LB	5/5/2015	State	\$9,461.00	The Burbank Literacy Program provides free one-to-one tutoring to adults who speak and understand English, but read and write below 8th grade level.	N/A	This Grant will fund literacy reading materials, literacy supplies and specialized computer software upgrades.
Community Development Block Grant (CDBG)	CDD	5/12/2015	Federal	\$905,042.00	Since 1975, the City of Burbank has received U.S. Department of Housing and Urban Development grant allocations annually to undertake programs and activities for the benefit of low to moderate-income persons residing in Burbank. Applying for funds requires the City to develop a Consolidated Plan to demonstrate the local needs and priorities in developing affordable housing. Annually, the City is eligible to receive CDBG funding based on the City's adopted and HUD-approved Consolidated Plan.	N/A	The Goals Committee recommended funding for 13 Public Service Programs and four Capital Projects. For Capital Projects, the Goals Committee recommended funding based on an applicant's due diligence to submit a reliable project budget proposal and their ability to address the City's aged private and/or publicly owned facilities and infrastructure.
Certified Unified Program Agency (CUPA)	FD	6/30/2015	State	\$13,416.00	Burbank Fire Department works with Burbank-based hazardous materials handlers to submit hazardous materials information via web-based California Environmental Reporting System (CERS). CUPA provides financial assistance in implementing and enforcing the state mandated program.	N/A	Grant will be used to obtain electronic equipment (six laptops and a desktop computer) to provide the Burbank hazardous materials business community with additional assistance in reporting to CERS.
